  - e. DeDe Birch- Men Varsity Coach.
- H. Misc:
  - i. Discussion ensued regarding enhanced communication with parents. Parents expressed that they were not receiving communication regarding upcoming events. Brian from the AC, agreed to create an enhanced email list, which would be used for communication. In addition, it was suggested that the AC, during the next registration period, revise their registration forms to include a section for parents to agree to have their names, rower name and level and contact information distributed as a roster. The AC will look into to doing this next year.

Meeting Adjourned at 8pm.
